Master's Message

Ray Carman PM - Worshipful Master

Greetings Brethren:

I would like to thank all the officers and Brothers that help and work so tirelessly to put on our degrees. The officers for the 2015 year are really putting out extra effort to make our degrees look good, despite some of the handicaps they have to deal with.

In the month of March 2015 we put on two degrees. A 3rd Degree was held for Brother David Thompson, who was Raised on 3-11-15. Thank you Brother for your hard work and dedication to our Lodge the past years. I hope you find the journey as a Master Mason rewarding to you and your family.

The 1st degree for our newest Brother, Craig Douglas Campbell, had a little surprise for him. His best friend attended as Senior Steward. Thank you, Brother Richard Campbell, San Francisco Lodge #136, for participating in our program. We hope you enjoyed your first step into Masonry Brother Craig! The Lodge and members will work hard to make it all worthwhile.

A 2nd degree is in the works for Brother Benjamin Lee Murphy, who is working hard to deliver his proficiency on April 22, 2015 at 7PM, before we do his degree. All Brothers

are invited and we hope you can find the time in your busy lives to join in the special occasion.

Our dinner on March 21, 2015 was Corned Beef and Cabbage with all the trimmings. This was a benefit dinner for the Scottish Rite educational program. Thanks, as always, to Don and Darlene Auradou for preparing such a wonderful meal.

*"Message from the East"
Is there no help for the Widows Son?
Brethren I am asking for your help!*

*We are in need of
a Chaplin.*

**This great position is
waiting for a Brother
willing to step up and
stretch forth a helping
hand.**

We need your participation in our meetings, Sunday breakfasts, dinners and degrees. All of those things and more that make up our fraternity. I am hoping there is something, we as officers can do, to bring you back to wanting to be at the Lodge with your Brothers! Your input is necessary to continue on, so please step up with your ideas and suggestions.

Also, we are in need of a Chaplin. Brother Veio is stepping down due to failing health. This great position is waiting for a Brother willing to step up and stretch forth a helping hand.

The *Trestle Board* is the official publication of the Clear Lake Callayomi Masonic Lodge #183 and is published for the purpose of notifying Brethren of upcoming events, sharing public announcements and as a forum for the Master and others to provide messages to Lodge Brethren. This is especially important to the Brethren, as ***without designs being drawn on the Trestle Board, the craft cannot be at labor in Masonry.*** Copy deadline for insertion into the *Trestle Board* is the 20th of the month prior to the month of Publication. The *Trestle Board* is mailed or emailed to all members and friends of the Lodge and should arrive in their mailboxes on approximately the first day of the month of publication. Contributed articles and announcements may be printed on a space available basis. **If you would like to receive the Trestle Board via email please send a request to danfish@att.net or clearlakecallayomi@hotmail.com or you can also call and leave a message on our Lodge voice mail.**

The number is (707) 995-3654. Visit our website at www.clearlakecallayomimasoniclodge183.org.

Thank you, Editor.
